Sherry,

This morning I received the attached documents concerning Ms. Dvita Key, a recent hire in the mail room at Hyundai, who wants to file an official complaint for discrimination against Hyundai, Cassandra Williams, and Gloria Robinson. I have interviewed Ms. Keys and she has repeatedly stated that she has no issues with Dynamic Security, other than what she feels is a demeaning attitude on the part of Gloria Robinson.

Ms. Williams has asked that Ms. Key not return to the site, and I have removed her from HMMA, but I have NOT terminated Ms. Key from Dynamic Security at this point.

There is also a statement included here from a co-worker who reported to Ms Williams that Ms Key felt discriminated against.

I can attempt to reassign Ms. Key to a different site, but I don't think that is advisable at this time, especially if she is to carry through with the stated "official complaint" of discrimination against Hyundai, Ms Williams, and Ms Robinson.

Any guidance or thoughts?

THANKS!
